Snowmobile and ATV Rentals

Open Daily

Monday through Saturday: 8 am to 5 pm

Sunday: 8 am to 12 noon

Snowmobile Rentals:

Headwaters Polaris has a large selection of rental sleds including 1 and 2 person snowmobiles. Most sleds have electric start and reverse. A helmet is provided with your rental. Rates run from \$150.00 to \$175.00 per day depending on the sled.

They are located at the intersection of snowmobile trails #2 and #3 so you can ride right from the door. Take your sled back to the cabin via the interconnecting snowmobile trails! It's only about a 4 mile ride. They offer a large parking lot for your vehicle as well. Groomed trails offer fantastic riding for beginners or advanced riders. Pick up your sled at 9 am and return by 8 am the following morning.

ATV Rentals:

Headwaters Polaris rents the Sportsman 400 ATV for summer fun. Rates run from \$150 per day and include a helmet and goggles. Pick up your ATV at 9 am and return by 4:30 pm. All ATV riders need to wear a helmet and you must have a valid drivers license.
