

# Pictured Rocks Nat'l Lakeshore

Munising, MI

Sandstone cliffs, beaches, sand dunes, waterfalls, lakes, forest, and shoreline beckon you to visit Pictured Rocks National Lakeshore. Hiking, camping, sightseeing, and four season outdoor opportunities abound. The Lakeshore hugs the Lake Superior shoreline for more than 40 miles. Lake Superior is the largest, deepest, coldest, and most pristine of all the Great Lakes.

Pictured Rocks National Lakeshore is open year-round, 24 hours day, though many roads are closed by snow in the winter.

## Pictured Rocks Cruises:

Pictured Rocks Cruises, LLC is an authorized concessionaire of the National Park Service Department of the Interior and has been guiding the public to Pictured Rocks National Lakeshore for over 50 years. Each boat cruise takes between two and a half to three hours and will bring guests in to and alongside the most visually stunning 40 miles of shoreline on the Great Lakes! They offer three distinct cruise opportunities to all visitors. They are the regular cruise, the Spray Falls cruise and the sunset cruise.

1. The regular cruise runs from mid-morning throughout the afternoon.
2. The Spray Falls voyage take place in the late afternoon and includes an extended route that offers views of the beautiful Spray Falls.

3. The sunset cruise is the last tour of the day and gives guests a special view of the rock formations as the glow from the setting sun creates a picturesque scene on Lake Superior.

Tours depart from the Munising City Dock where experienced captains and crew will let you know a brief history about the boat and some local area facts. The crew will assist in ticketing, safety instructions and any other needs that may arise. Each cruise will be fully narrated by the crew over the public address system and can be heard from any location on the boat.
